

Dennis Kucinich

National Security State and Its Insane Buildup for More War

In Palo Alto

Sunday October 19, 7 pm. FREE!

Hear eight-time former Congressman from Ohio, Dennis Kucinich, one of our nation's leading advocates for peace, speak about America's latest escalation of war in Iraq and Syria.

“ISIS is a western creation to ensure a continuation of perpetual war. We are losing our country to wars based on lies. The Constitution is being destroyed. We need to build a viable, informed and politically aware national movement.” — Dennis Kucinich
